A great big bear  
Oh way up there  
The other day I met a bear, a great big bear oh way up there  
He looked at me  
I looked at him  
He sized up me  
I sized up him  
He looked at me I looked at him, he sized up me I sized up him  
He said to me  
"Why don't you run?  
I see ain't  
Got any gun."  
He said to me "Why don't you run, I see you aint got any gun."  
In front of me  
There was a tree  
A great big tree  
Oh lucky me  
In front of me there was a tree, a great big tree oh lucky me.  
The lowest branch  
Was ten feet up  
I'd have to jump  
And trust my luck  
The lowest branch was ten feet up, I'd have to jump and trust my luck  
And so I jumped  
Into the air  
But I missed that branch  
Oh way up there  
And so I jumped into the air, but I missed that branch oh way up there  
Now don't you fret  
And don't you frown  
Cause I caught that branch  
On the way back down  
Now don't you fret and don't you frown,  
cause I caught that branch on the way back down
